

# Klasyfikacja sportowa IGRZYSK DZIECI szkół podstawowych województwa podlaskiego w XXI wieku (1999-2022)

## sporządzona w oparciu o coroczne podsumowania sportu międzyszkolnego o Puchar Podlaskiego Kuratora Oświaty przez Podlaski Wojewódzki Szkolny Związek Sportowy w Białymstoku

Brak liczb oznacza, że szkoła w danym roku nie była klasyfikowana przez PWSZS lub nie istnieje. W pierwszym roku reformy i później od roku 2002/2003 PWSZS dokonywał podziału szkół na mniejsze i większe. Jednak w kolejnych latach w szkołach było z ilością uczniów różnie. My tego podziału zastosować nie możemy. Rok 2016/2017 jest ostatnim rokiem 6-klasowej podstawówki; w roku 2017/2018 mieliśmy już klasy I-VII oraz II i III klasa gimnazjum; w roku 2018/2019 w podstawówce były klasy I-VIII i III klasa gimnazjum; w roku 2019/2020 była sama podstawówka I-VIII z podziałem sportowym na Igrzyska Dzieci i Igrzyska Młodzieży Szkolnej.
